FOR THE EIGHTH CIRCIUT**

**DAVID STEBBINS**

**APPELLANT**

**VS**

**CASE NO. 12-3981**

**LEGAL AID OF ARKANSAS**

**APPELLEE**

**MOTION FOR SANCTIONS**

Comes now, *pro se* Appellant David Stebbins, who hereby submits the following motion for Appellee to be sanctioned for advancing numerous frivolous legal arguments.

A ruling on this motion need not be immediate. The decision can, if the Court desires, be incorporated into its decision, like so many other cases in which sanctions have been imposed.

The Appellees' arguments – especially those regarding the retaliation claim being appealed – were completely frivolous and absurd for the reasons stated in the Reply brief, hereby incorporated by reference. They should be sanctioned accordingly.

I do not care if I get any of the money they can be forced to pay; the sanctions can be paid directly into court for all I care. I just want to make an example out of them, is all.

Wherefore, premises considered, I request that this Motion for Sanctions be granted alongside the District Court Judgment being reversed.
